

## Get the skills you need to get the job you want!

As a global technology leader, we understand that education is your passport to the future and as such we have been offering professional courses through our Oracle University in Senegal since 2005.

We offer a comprehensive range of Oracle courses so that you are marketable the day you start.

Courses for solutions on Premise and in the Cloud go from:

Database, Middleware, E-Business Suite, JD Edwards, Hyperion Planning, Fusion Cloud, Netsuite to Internet of Things (IoT) and more.

We also offer on-site training on our entire offering in line with our Partner solutions such as Excel4Apps and Sigfox.
